## Destination Taiwan

**Taiwan** is known as "Formosa", which means beautiful island. Discover the beauty of Taiwan while you are here. From mountains to beaches, bustling nightclubs to relaxing hot springs – Taiwan has it all.

The Taipei World Trade Center is located near the Taipei 101 building, one of the tallest in the world. From here you can conveniently reach potential suppliers anywhere in Taiwan within a day via Taiwan's extensive transportation network. Make the most of your visit to THS; let Taiwan touch your heart!

## Buyer's Testimonial

" **THS** 2010 was a very great show and beyond our expectations. The broad arrangement of companies was so perfect that we could buy laser engraving and wood working machines in big volume in addition to hand tools. We were so pleased with THS 2010 that we will bring an even bigger delegation of 25 companies next year. "

Majid Khoshrou, CEO of Khoshrou Enterprises International

## Taiwan Hardware Show

### Your Source for Quality Hardware

The Taiwan Hardware Show (THS) is a platform for professional buyers to source high quality, innovative hardware products. As the only exhibition of its kind in Taiwan, THS is a once a year opportunity for buyers to meet face to face with all the major Taiwanese hardware manufacturers. Exhibitors reserve their finest products for display exclusively at THS.

### Taiwan Advantage

Taiwan has been the number one exporter of hand tools for over five years and ranks among the top three in hardware production worldwide. Taiwan tool manufacturers play a prominent role in the global supply chain and have developed a reputation for stringent reliability, efficiency and quality over the past few decades. The Taiwan hand-tool industry today is increasingly focused on high quality and branded products. Not only will you find what you are looking for at our show, you will also connect directly with the most relevant manufacturers via our business matching service.

### Exclusive Incentives for buyers

THS is recognized as one of the top 16 professional shows strongly supported by the Bureau of Foreign Trade (BOFT). As an incentive to visit THS, the BOFT provides subsidies on accommodations of up to NTD 15,000 for qualified buyers. These subsidies are given on a **"first come, first served"** basis, so applications should be sent directly to the organizer by **12 August, 2011**.

Please refer to the inquiry form on the back for detailed information. **If you are interested, directly contact Mr. Aaron Turner at +886-2-2595-4212 ext. 721 or email to [exhibition@kaigo.com.tw](mailto:exhibition@kaigo.com.tw).**
